

Annual Track Meet Huge Success

The annual track meet of the Wainwright sub-schools comprising 24 schools was scheduled, and promptly taken care of on Friday afternoon and last, May 30th, at the Wainwright school grounds, when a record number of contestants participated in all events.

In all cases, with the exception of the mixed relay races, schools were only allowed three participants in each event. In this way it makes it much fairer when large schools contest against their much smaller competitors.

According to the Public School principal, Mr. Ted Wilson, everything went off without a hitch and most events were off by 2:30 in the afternoon. He said that much credit was due to the teachers and parents of the children competing, and mainly the grade VIII children who organized and operated a refreshment booth during the day.

The weather for the event was not the best, being rather chilly, but running around in shorts and gym shirts. Although the children in the events didn't suffer much they were moving and always on the go, but to the onlookers a warmer day would certainly have been welcome.

The remainder of the afternoon was spent in the softball competitions, when four country points vied with each other for the honor of first place. The teams competing were White Cloud, Greenfield, Silgo, Wainwright, and the town team. The games proved very interesting to watch and especially the game that Silgo played. The Star has not the name of the grade one player on that team, but from reports this little chap is heading for big fields. He seemed to never miss the ball whether catching flies or batting, but his legs were rather on the short side to do much running, consequently he never had a chance to make first base.

Winners of the events were as follows, and they were awarded ribbons to denote their ability as athletes.

Girls 6-8 Class:
Dash 25 yds.—1. Eleanor Borch, Wainwright; 2. Adeline Kitchen, Wainwright; 3. Reta LaPalme, Battle Heights.
Softball Throw—1. Eleanor Borch, Wainwright P.S.; 2. Sylvia Davis, Heath; 3. Adeline Kitchen, Wainwright.

O.O.R.P. Lodge To Sponsor Plays

The only summer stock company in Alberta will visit Wainwright on Monday, June 10th. The legitimate stage group, University of Provincial Players, will present three plays which have been specially selected and directed by Robert Orchard, professor of Drama, Department of Fine Arts, University of Alberta.

PIERRE PATHELMAN—a colorful 14th century farce in 3 acts, translated from the original French.
JOHNNY DUNN—an Alberta play written by Robert Gard, fascinating story teller at Alberta folk lore.

THE HARVEST MOON IN THE WORLD—a one act drama, gripping in intensity and stark drama. The troupe is the only one of its kind in Alberta, and consists of a small carefully chosen group of University students who have a keen interest in promoting the work of the theatre in the province.

Playing from the first of June to the first of September, the troupe plans to present some 70 performances, from Dawson Creek in the north to Cardston in the south, and from Banff to the west to Lloydminster in the east. They have rented a 16 passenger bus, the rear section of which has been converted into a storage space for costumes and equipment. The girls see that the boys pitch in and help with the cooking and laundry, while they in turn help with the costumes and scenery. The male members all have sleeping bags, and usually sleep out on the "hot prairie" or in whatever shelter can be found while the girls sleep in hotels or in private homes. The girls declare that roughing it is fun and wouldn't miss it for anything. When the magic of great paint and bright lights is in their blood, it makes up for the hardships and inconveniences they endure.

The Provincial Players are being sponsored in Wainwright by the Order of the Royal Purple. The show will be presented in the Separate School Auditorium on Monday, June 9th at 8:30 p.m. See advertisement in this issue for more details.

To Play In Wainwright June 9th

Giving Wainwright and district residents a rare treat in the finer arts, the University of Provincial Players are shown in a scene from one of the three one-act plays to be played in Wainwright, June 9th. The scene is from "The Harvest Moon in the World", a 14th-century farce translated from the original French.

Wain. Makes Record In Cancer Fund Drive

The residents of the town and district fully realize the seriousness of Cancer in all its forms, as they subscribed the largest amount of money in the northern part of the Province, with the exception of Edmonton.

This is an achievement that all should be proud of. Other centres such as Camrose, Lloydminster, Vermilion, Vegreville, all larger than Wainwright, didn't give nearly the showing that this town and district did. The general committee under the chairmanship of Dr. Middlemas, ably assisted by Madeline Turner, Mookford, and Conroy, are to be congratulated on their efforts in organizing and collecting for this fund.

The balance sheet found below shows that \$1345.40 was the sum collected of which there was only \$2.00 deducted from for expenses. The donations listed are only those from organizations and large companies. It might be pointed out that all of this money, except a very small percentage, is to be used in Alberta to supply dressing, X-ray treatment and diagnosing for Alberta patients. The small amount is turned over to the National Cancer Society in Eastern Canada for laboratory and scientific work in combating this dread disease.

The donations as they were handed to the Star are as follows:

| | |
|---|-----------|
| Red Cross Society (local) | \$ 100.00 |
| Wain. Gas Company | 25.00 |
| Edmonton and District | 74.25 |
| Adeline Rebekah Lodge | 10.00 |
| Rose Willow W.I. | 10.00 |
| Gilt Edge Welfare Club | 10.00 |
| Ladies Aux. 12345 | 10.00 |
| Canadian Legion | 10.00 |
| Golden Rule Circle Club | 5.00 |
| Wainwright Swingers | 40.00 |
| Order Eastern Star | 5.00 |
| Order Royal Purple | 5.00 |
| W.H.S. Students Union | 25.00 |
| Gerald Club | 25.00 |
| Women's Institute | 5.00 |
| Wain. Hotel Company | 15.00 |
| Town of Wainwright | 10.00 |
| Buffalo Park Lodge A.P. of M. C.G.I.T. | 10.00 |
| Charmayne Middlemas | 73.00 |
| In Memoriam | |
| Mrs. Helen Gaudet | 8.00 |
| Individual and business donations from town and district of Wainwright, Health and Fabian | 682.15 |
| Total | \$1345.40 |
| Expenses: | |
| Postage | 2.00 |
| Balance | \$1343.40 |

EXPLORERS NOTES

The Explorers held their meeting in the classroom of the church with 16 members present. The Bible script was read by Edith. After the business the leader discussed the Explorer's Emblem and also how the girls earn their stars. The girls are asked to wear their middie with their stars and emblems sewn on. The girls then played games. They closed with the singing of taps and the password was given for next week. —B.G.

Health Service Discontinued Pro-tem By School Division

Minutes of the Board meeting held on May 28th, 1947.

All members of the Board present. Moved by Mr. Lawson that the minutes of the last meeting with corrections be adopted. Carried.

Moved by Mr. Dixon that Mr. G. B. Young's tender for tuning the piano of the School Division be accepted. Carried.

Moved by Mr. Spencer that the report on the conference held by Divisional Board representatives for Wainwright, Vermilion and Vegreville, be accepted. Carried.

Moved by Mr. Spencer that the quarterly financial statement as presented to the Board by the secretary be accepted. Carried.

Secretary was instructed to arrange for a finance committee meeting at 9:00 a.m. on June 26th. There will be no regular meeting of the Board during the month of June.

Moved by Mr. Dixon that the next meeting of the Divisional Board be held on July 14th, 9 a.m. D.S.T. This meeting will be held at the Spencer home south of Edgerton by the kind invitation of Mr. and Mrs. Spencer. Carried.

Moved by Mrs. McLeod that schools close on Friday, June 27th for the current term. Carried.

Moved by Mr. Lawson that we adjourn until 4:30 p.m. Carried.

Mrs. Glasgow gave her report on Public Health work during the month of May. The public is advised that this service will be discontinued until further notice.

The secretary was instructed to write a letter of appreciation to Mr. J. H. H. of Inna for the use of the hall during the past year.

Start Made On Hospital Sidewalk

Work commenced last week on the new hospital to the hospital, as mentioned in the Town Council minutes of a month or so past.

A crew of men have been busy making preparations for the laying of the sidewalk, and at present the road is in disrepair. The sidewalks have been levelled on either side, making near as possible a level stretch of ground along both sides of the road.

The town grader has been used extensively in this work, proving again that the buying of this machine was an asset to the town. While plans are as yet indefinite, it is estimated that a foot cement sidewalk will be built from Queen street through to the hospital gate on the north side of the Avenue.

This display of public work will meet with the approval of all citizens town and country alike, for in the past it has sometimes been impossible to walk to the hospital, especially in the spring when water and the spring break-up has caused considerable inconvenience to hospital visitors.

Farmer Loses Chickens In Sunday Blaze

A fire completely destroyed a chicken house and its contents, including 75 3-day old chicks and an old brooder, at the farm of Mr. John Wakefield, 1 mile north of Wainwright, last Sunday afternoon. Both Mr. and Mrs. Wakefield and family were away at the time attending the band concert and the baseball game, and the fire was first noticed by Mr. Wakefield's mother who happened to be home alone at the time. Mrs. Wakefield Sr. first noticed the fire about 5:00 p.m., but by this time the flames had spread to the roof of the brooder house and nothing could be saved. She immediately went to the highway and summoned help from passing motorists, who helped bring the fire under control and prevented it from spreading. The brooder house was located only 20 to 25 feet from the residence and just little more than that from the garage. With the slight wind blowing at the time the fire could easily have spread to the other buildings, but through the prompt action of the neighbors, who had gathered by this time, it was brought in check.

A phone call was made to the Wainwright fire brigade and on summons Councillor Cork, with his deputies, arrived at the scene. There was very little that the town apparatus could do by this time but to thoroughly wet the smoldering embers.

M. and MRS. J. WAKEFIELD AND FAMILY

CARD OF THANKS

We wish to sincerely thank those who offered their assistance on Sunday afternoon at the time of the fire. Our special thanks is extended to Mr. and Mrs. Johansson, Mrs. D. Gardner and to the Town of Wainwright for the assistance given by the fire truck.

MR. and MRS. J. WAKEFIELD AND FAMILY

School Boys Band Gives Good Audition In Town

Even though the weather didn't look too promising at any time during Sunday, June 1st, the Wainwright School Boys Band gave Wainwright a yell on that day and delighted hundreds of people who came from miles around to hear this famous band, under the direction of T. V. Newlove and O. W. Murray.

The committee of the Board of Trade, who have been busy during the past two weeks, expressed keen satisfaction in the way that the whole affair went off, and their personal thanks are extended to anyone who helped make the day a success.

The concert was staged on the ground immediately east of the Town Hall, which while not the best location, was the most suitable in Wainwright. Some criticism has been heard regarding the location, but in any event there was really no choice of location which did not offer some drawback.

It was unfortunate that the committee in charge of arrangements could not have foreseen the need of a raised platform, but this point was overlooked, hence many people did not get a good look at the band. However, most everyone within hearing distance enjoyed the fine renditions of band music, which ranged from Marches, Boogie-Woogie through to hymns.

The programme started promptly at 2:30 p.m. and lasted for nearly two hours. At one or two periods through the concert rain fell rather heavily but dampened neither the bands or the spectators enthusiasm.

The band was transported to Wainwright by two submersible buses, leaving Edmonton at 9:00 a.m. They landed in Wainwright shortly after 1:00 p.m. and refreshed and ate in Wainwright before playing. The expenses for the trip amounted to nearly \$350.00 and the only way that this could be defrayed was by the selling of souvenir programmes and pictures. The committee of the Board of Trade worked hard at this aspect of the day and when total monies were counted up the sum of \$287.40 was turned over to the band leaders from proceeds of both to help in the expenses.

It is pointed out that the band was scheduled to play at Viking on the return journey and, it is expected that the total sums realized between the two towns will more than pay the expenses of the day.

In an interview with Mr. Newlove and Mr. Murray after the concert, they expressed their heartfelt thanks for the way that Wainwright and district had received the band and themselves. Mr. Newlove stated that in all the band tours, they had never received such courteous service, hospitality and welcome as they had received while on their short stay in Wainwright.

It is estimated that there were close to 150 cars gathered and it is anyone's guess as to the number of people who heard the band. People came from near and far for a distance of 40 miles around. Vermilion on the north, Ponoka on the west, Chauvin on the east and Provost on the south.

Bye and large the day was well worth anyone's time and satisfaction was widely shown by favorable comments. It was estimated that will be remembered for some time to come, when many people will remark, "June 1st, why that's the day that the Edmonton School Boys Band played in Wainwright."

Hospital Auxiliary Stage Tag Day

Saturday, May 31st, saw many of the town folk on the streets of Wainwright bright and early in the morning, and staying late until the evening. The occasion was a tag day sponsored by the Ladies Hospital Auxiliary.

Up to press time there had been no report sent in by the ladies as to the amount collected or for what purpose the money had been collected, but the Star has been given to understand through the grapevine method, that the sum was in excess of \$200.00. As to the purpose of this drive for funds it might be pointed out that these local ladies have done quite a good deal of very important and charitable work at the hospital, and whatever their intention is in disposing of the money collected, it will surely be put to a very worthwhile cause.

A full report will appear in next weeks issue of The Star.

The citizens of Wainwright should be right proud of themselves according to the Saturday edition of the Edmonton Journal. In the list of cancer fund donations Wainwright's name is proudly displayed at the top of the list heading all other towns in Northern Alberta. The only town, and it is actually a city, not reported from at time of writing is Wetaskiwin. There is little doubt in the cancer committee's minds that Wetaskiwin will not even reach the high standard set by Wainwright and district.

The list as it appeared in the city papers was as follows:

- \$250.00 donation—Town of Wainwright, Campaign Manager Dr. Middlemas
- \$645.00 donation—Town of Ponoka, Campaign Manager, I.O.D.E.
- \$207.60 donation—Town of Vegreville, Campaign Manager, I.O.D.E.
- \$446.50 donation—Town of Camrose, Campaign Manager, Dr. H. H. W. Beyerstein
- \$358.00 donation—Town of Peace River, Campaign Manager, I.O.D.E.
- \$200.00 donation—Town of High Prairie, Campaign Manager, Women's Institute
- \$107.00 donation—Town of Wittingdon, Campaign Manager, I.O.D.E.

IN MEMORIAM

In loving memory of our brother Edward Ware, who gave his life for his country on June 6th, 1944. We do not forget you, nor do we intend to.

We think of you often, and will to the end, Gone and forgotten by some you may be, But dear to our memory, you ever will be.

Ever remembered by
SISTER and BROTHERS

IN MEMORIAM

In loving memory of our dear sister, Charlotte Howes, who passed away June 5th, 1944. Beautiful memories are all we have left.

Of her we loved so dearly and shall never forget
Her loving smile and happy face
A broken link we can never replace
Sad was the parting, no one can tell
So sudden on earth the sorrow fell
Fond memories we treasure, no one can steal
Deaths leaves a heartache, time cannot heal
Lovingly remembered
ADELINE, GEOFF & FAMILY

IN MEMORIAM

In loving memory of our daughter and sister, Mrs. J. L. Howes (nee Charlotte Dundas) who died June 5th, 1944.

Our lips cannot tell how we miss her
Our hearts cannot tell what to say
God alone knows how we miss her
In a home that is loneliness today.
Ever remembered by
MOTHER, DAD & IONS

Car Hit By Train Monday Morning

A 1927 Chevrolet coupe driven by a Mr. Nichols is completely demolished as the result of a collision with train No. 4, which left Wainwright shortly after 2:00 a.m. D.S.T.

From the scant information received, it appears that Mr. Nichols was either on his way to or from Heath, and finding that he was on the wrong road, decided to turn around. This was at the railroad crossing just east of the crossing south of the cemetery. In the act of turning the car around he backed into a deep culvert ditch along the side of the track and the rear wheel of the car became lodged in this gully. Seeing that it was hopeless to try and remove the car from the ditch by himself, and thinking that there was enough clearance between the car and the track, he started out to find the nearest farm house in search of aid, either by a team or tractor. When he arrived back on the scene his automobile was a total mass of wreckage, due to the train hitting it. No doubt the car being so low in the ditch prevented the engineer from seeing it in time to avoid the crash.

PELICAN

Mrs. Romling of Paradise Valley visited at Asen's on Monday last.

Mr. Smith of the N.F.B. gave the final picture show of the season at Pelican on May 27th. It was rather novel to have to wait until it was dark enough to show the pictures.

The school track meet in Edgerton on Friday was well attended and the Pelicans and Empire youngsters brought home their share of ribbons, especially Marjorie Bell.

Several from the district attended the Band Concert in Wainwright Sunday afternoon staged by the Edgerton School Boys Band.

A cordial invitation is extended to all interested persons to attend the U.F.W.A. Summer Conference on Tuesday, June 17th, at H. E. Spencers beginning at 10:00 a.m. standard time. There will be two excellent speakers in the afternoon.

Work is still progressing on Mike Bell's well.

The oil well on Robert Wallgren's is a busy site with many visitors calling to see the developments. It may be safer not to mention what the trucks have done to the road!

GREENSHIELDS

Mr. W. S. White spent a few days in Edgerton recently on business. Mr. and Mrs. R. H. Valieu accompanied by Mr. and Mrs. Oldenberg drove over to Lloydminster one day last week.

The pupils from Greenshields school have had friendly softball games with Heath and Ascot schools in the past two weeks and hope to play return games soon. They are to be congratulated on their sportsmanship at the track meet last Friday. The names of winners will likely be appearing in another article in this issue.

Messrs Bishop and Briault have been busy building fences and improving the appearance of their homes with shrubs and trees.

EDGERTON

(Too late for last week)

The free picture show tickets given by Miss Gage were won by Mrs. Taylor, Sharon McKay, Milford Russell and Gerald Witherell. The ballot box is in Cal's Hardware this week.

The Rev. W. D. Ellway was a business visitor to Saskatoon Monday. Bill Withnau left Monday for Edmonton where he has gone to take a course in barbering. Harvey Sportnitz is in charge of the Pool Room.

The well drilling outfit on the Walgren farm has been idle most of the week due to a major breakdown. They started up again Sunday.

Edgerton baseball team won over Wainwright 3-2 in a good game here Thursday.

Mr. and Mrs. Floyd Kinball were visiting her parents Mr. and Mrs. House over the week-end.

Edgerton took a ball team to the Vermilion Sports. They won their first game and lost their second to Lloydminster.

The Bishop of Edmonton was a visitor here for a short time Saturday.

Jim McGaughey took his big bus to Vermilion Saturday and owing to the roads did not get back till noon Sunday.

Ruth Phillips was down from Edmonton for the week-end with her parents.

To Legion Members: Please don't forget the monthly meeting Thursday, May 29th.

Mrs. William Challenger of Saskatoon is visiting here.

(this week)

Picture show free tickets donated by Cal's Hardware were won by Joan Kingston, Jean Kingston, Mrs. O. Dorland and M. Russell. The ballot box is in McKay's Lumber office this week.

Lt. J. King and Staff Sergeant Headley were here Monday carrying out an inspection of the School Cadets.

Mr. and Mrs. F. F. Mitchell left Tuesday after spending the week-end here, for their extended holiday.

The Anglican held their meeting Monday at the rectory.

Miss E. A. Custance, niece of Mrs. Sawyer Sr., arrived from England Saturday morning to spend a vacation here. Mrs. Sawyer is also expecting her brother Mr. W. Custance for a visit. He is coming from England too.

Mrs. Gorton was taken to hospital

SHSHEEPSKIN FLATS

Mr. Joe Tondy is busy tilling in the crop for Mr. Jones Myer who is working on the new oil well on the Bloom farm.

Mr. Louis Egrie has been helping Mr. Also Vago farm for the past week.

There was great excitement on Tuesday last when the first airplane visited the flats piloted with great success by Mr. Floyd Myer.

The horse buyers were back in the district a few days ago. It looks as if a lot more horses are going to disappear off the range.

early Wednesday morning by Mr. Darby. She has returned home again.

Mr. Welsh Sr. of Vermilion has been visiting at his son's home.

Ribstone ball team played Edgerton here Thursday. After a good game with score tied 4 all it was decided to call the game off at 5 innings owing to the light.

Harold Brown left with his gravel truck and Chalmers Jackson as driver for Pentickon, B.C. where he has secured a graveling job. Harold expects to be back again in a week.

The Browns moved out and the Spences have moved into the house next to his garage. Bob Groves and his family have moved into the Aylesworth house.

The school track meet was quite a success and fortunately the weather held fine this year. The women of both churches ran the 100th and made out very well financially.

The Anglican W.A. will meet at the home of Mrs. A. Calvert Thursday June 5th.

Mrs. G. Phillips, Mrs. R. C. Reed, Mrs. H. R. Brown and Mrs. Ron Pusey left by car Sunday for Banff where they are attending a convention with the Eastern Star chapter.

A large number of local people went to Wainwright Sunday to hear the concert by the Edgerton School Boys Band.

Edgerton ball team went to Chauvin Sunday and after having the best of the game up to the last innings, went to pieces and lost 10-12.

WHITE CLOUD

Mr. Jack Torr and his helpers left on Tuesday last week with his horses bound for Bonnyville.

Mrs. Lawrence Myer and Mrs. Cunningham are managing the cook house instead of Mrs. Murray and Mrs. D. Teeter.

Mr. Floyd Myer dips his wings to his friends several times a week, going back and forth between Lloydminster and Calgary.

Mr. L. Egri was up from the flats tilling for Mr. A. Vago.

The school youngsters all turned up for the Annual Track Meet held in town.

Mr. Jack Reid and Billy, also Mr. Tony Kristensen spent Thursday repairing the school fence.

HEATH

Sympathies of the district are extended to Mr. and Mrs. G. Rajotte in their recent bereavement at the loss of their infant daughter.

Mr. and Mrs. Jack Hughes spent the week-end visiting friends at Paradise Valley.

Many people of the district spent Sunday afternoon in Wainwright when they thoroughly enjoyed the program presented by the Edgerton School Boys Band.

Mr. Smith of the National Film Board showed pictures at the Heath school Friday evening which were enjoyed by a good crowd. His next pictures will be shown in September or October when we hope that almost everyone in the district may attend.

Regarding Hail Insurance ! Ask Yourself These Questions !

- (1) Is this a full cover policy or do I have to stand the loss of 25% of my crop and pay the premium as well?
- (2) Are my crops protected right up until October 1st or may I lose my crop by hail after noon September 15th and still lose my premium?
- (3) If my crop is in the swath or stock either before or after September 15th and is destroyed by hail will I be paid under my policy or will I lose both my crop and my premium?
- (4) Do I have to pay my premium in cash and if I don't how much extra is it for payment in the fall?
- (5) Can I be assured of receiving payment of my loss in full?

FOR THE ALBERTA HAIL INSURANCE BOARD I CAN ASSURE YOU OF THE VERY BEST PROTECTION AND ANSWER THESE QUESTIONS BY SAYING:

- (1) Wherever you live you can buy a full cover policy and our published rates are for this type of policy. If you want a deductible clause of 10 or 20% we will write it at a considerable reduction but we do not believe that with a 25% deductible clause you have worth-while protection.
- (2) Your crops are protected right up to October 1st without any extra charge.
- (3) Even after your crop has been out and is in the swath or stock you are still protected at no extra cost. Protection is available from the time the crop is seed in the ground in the Spring until it is seed in the bin in the Fall provided it is not after September 30th.
- (4) The rates quoted by the Board are for payment prior to November 1st and if you pay cash and do not file a claim you will receive a refund of at least 5% of your premium—in 1946 it was 7%.
- (5) You are absolutely assured in 1947 of receiving payment of your loss in full regardless of how heavy the loss is. The Reserves of the Board and its reinsurance program make sure of this.

The Alberta Hail Insurance Board is set up for your benefit as well as that of the other farmers of the Province and the above are only some of the ways it is doing this. Call and let me explain why I believe you should insure your crops against hail and why you should insure with the Board—its improvements in adjusting procedure, its payment of loss in excess of 90% as 100%, its co-operative features and the fact that with the continued support of you and the other thousands of farmers it is rapidly getting into a position where its plan of refund on premiums may be extended and made applicable to more and more of its policy holders thereby providing much cheaper protection.

WAINWRIGHT, WEDNESDAY JUNE 4th, 1947

THE ROAD TO RUIN

From a short motor jaunt through the country around Wainwright one sees, and with much concern, the indiscriminate cutting of trees, which are natural wind protection and moisture reservoirs. Conscientious farmers of the district, as well as agriculturists concerned with better farming methods that are now underway, the mass tree clearing projects that are now underway. Clumps of trees are being bulldozed to the ground and windbreaks of 10 or 15 years ago are disappearing at a rapid pace. If present breaking continues the moisture preserving windbreaks of trees will disappear almost entirely. When this time comes Central and Northern Alberta's rich farmlands will be a thing of the past. The wet seasons of the past few years have lulled farmers into a false feeling of security, and the belief that soil drifting can't happen here. It can and will unless steps are taken now to preserve the few remaining wind breaks. Soil rehabilitation plans of Saskatchewan's former dust bowl, include the planting of new trees to provide moisture and wind break properties. The same idea might be given consideration here if a repetition of Saskatchewan's mistakes are not wanted in these parts.

We have failed to mention it yet, but along with the tree clearing usually goes land breaking. This, while it might be permissible on some lands certainly is not good practice for all lands. It is true that the tree is crying for more food, and wheat is the staple food crop of western Canada, but this is no reason even at higher prices to break land which is not suitable for crop raising. Instead it would be better to leave such land to pasture and run cattle or sheep on it.

The above question is of prime importance today to everyone, farmer, business man or what have you. The whole economic structure of western Canada, small centres, such as Wainwright, in particular, depend on the farmers prosperity and well being. If then, land which is the major factor in producing a crop is to be indiscriminately destroyed through greed or lust, should something be done to check it, not be done?

In our opinion, and as much as we hate controls and regimentation, a permit system should be adopted. These permits could be handled by men most qualified to do so. In this way a check could be kept of the land clearing and breaking operations, and the breaking of land not suitable to agriculture needs could be checked.

Another practice which is becoming more noticeable in Alberta, not so much in this territory, but more to the south is the idea of combining the grain and then burning off the stubble. This is a very bad practice for any farmer. The ground can only grow crops there are as good as the soil. By not plowing back this fibre the ground suffers, hence it will only be a matter of a few years until the soil will be depleted of humus and fibre and will blow also when strong winds are encountered.

We don't possess very much knowledge when it comes to any aspect of farming, but what we have observed while driving in the country has raised some consideration and alarm in our minds. By transferring them into print we hope that a word of precaution has been noted. It is to everyone's good that steps are taken now to preserve our basic industry, agriculture. By so doing it only means that we are preserving ourselves. In the long run is not that a heritage to be guarded.

S' FUNNY, WE DON'T DO IT THAT WAY

There appeared in Thursdays Edmonton Journal a story about the preparations for President Truman's expected trip to Ottawa sometime in June, in which the story was nothing more or less as to how the secret service and F.B.I. are making sure that nothing will happen to Mr. President.

While reading the article we couldn't help but become amused at the elaborate preparations being made. The article reads in part, and we quote "When the President's Special moves out of Union Station (Washington) for the 15 hour run to Ottawa, every bridge, switch tunnel and station along the route will be guarded by police."

While it may be O.K. to guard the nations president while he is travelling within the borders of America, it would seem somewhat of an insult to us, to infer that Canadians are not so law abiding. True, accidents can happen but we are sure that no squad of S.S. men will avert any accident. Accidents can never be foreseen. What the S.S. men will be on the look out for will be gunmen and assassins.

Many readers followed the day by day account of King George's recent visit to South Africa, covering a two months tour. Little or no mention was ever made with regard to Scotland Yard being on the look-out for gunmen or assassins during the Royal Family tour. No doubt they were around, but the fact wasn't prominently mentioned.

If our own Prime Minister or Governor General should take a visit across the 49th parallel you can be sure that they wouldn't be accompanied by 25 Mounted Police. They might (and it is only a guess) be accompanied by a body guard and then he would never receive the publicity and lime light that the President's 25 F.B.I. men received Premier Manning of Alberta, or any of his cabinet ministers take the occasional trip and yet they do not need protection, or if they do it is never mentioned.

We, in Canada, seem to get along without all this, and to our mind (and it may be lax) there was never an affair in Canada such as the incident in Ford's Theatre when Lincoln met his doom. It seems ever since then our neighbors to the south have always taken precautions, against a re-occurrence of that fateful night. Thank goodness we live where we do.

World Of Wheat

CONDITIONS IN EUROPE

We have heard in recent months contradictory reports about whether the people of Britain and Europe were well or poorly fed, about whether British and other countries were rapidly reviving, or whether they were slipping further back, and about what the chances were for Canada to sell wheat and other products to Europe in the future. The Sears Grain Company, therefore, sometime ago decided to send me to Britain and Europe to observe at first hand just what the conditions were.

Some seven weeks away I have now returned with many vivid impressions about what I saw and heard in those countries. For the benefit of the readers of this "World of Wheat" column, I will relate from time to time what I have seen, and I will take the liberty of making suggestions which I think should be adopted in order to help Europe once again to resume her rightful place as the greatest market for Canada's products.

The most vivid and first impression I wish to convey is that Canada is the best country in the whole world in which to be living today. Our people are far far better fed than those in Europe, and the opportunities here for success for property and advancement, are miles and miles ahead of any opportunities in Britain or in the other countries of Europe.

ITEMS OF INTEREST IN

THE WORLD OF FOODSTUFFS
 The United Kingdom's loss of winter wheat acreage amounted to 770,000 acres, and it is now assumed that the harvest will be taken from a maximum of 1,700,000 acres, which with an average yield of 35 bushels per acre should produce 59,500,000 bushels of wheat.

In the Soviet Union 34,580,000 acres are under spring cultivation, some 422,000 acres more than last year—Italy recently purchased some 2,668,000 bushels of wheat, 1,455,000 bushels of barley and 882,000 bushels of oats from Turkey. The United Kingdom, according to recent reports is attempting to purchase wheat from Russia in order to ease the country's bread ration.

BIG TOURIST SEASON AHEAD!

 THE THOMPSONS are busy as bees, getting their place in shape for the tourist season. This year, with three more cabins, electricity and a modernized kitchen, they hope to do even better than before.

They were able to make these additions because last fall Mr. Thompson drove to town to see his bank manager. He knew about the nice little business the Thompsons had built up; a bank loan was quickly arranged.

Now the Thompsons can handle more tourists and increase their income. At the same time Canada will benefit from the extra tourist dollars they take in.

THIS IS ONE INSTANCE of how Canada's 3,200 branch banks play their part in the daily life and work of Canadians.

FARMING NOTES

By Prov. Dept. of Agriculture

SAVE THE NEW-BORN PIGS

Reports to the Live Stock Branch from several districts indicate losses in young pigs between three and five weeks of age. The usual symptoms are inactivity, ruffled condition, shivering, and diarrhoea. Breeders who have had this trouble in past years give several reasons for the condition.

1. Chilling of young pigs from sleeping on cold, damp floors.
2. Reduced vitality due to vitamin deficiency.

3. Anaemic condition due to lack of iron in the blood.
A. J. Charbonnet, Live Stock Supervisor for the Alberta Department of Agriculture, says that where this condition appears, little pigs can be treated with a few drops of highly concentrated cod liver oil on the tongue; they should be well bedded to keep them warm from below; and newly-plowed beds should be provided which have been well dusted with iron sulphate at the rate of one teaspoonful of iron sulphate powder per square foot of soil or per abovefoot of soil. On warm days provide an exit for the little pigs so that they can get out in the sun and into the fresh dirt.

A good practice is to treat all little pigs with reduced iron at three and eight days after birth. The dose is half the amount of reduced iron that will lie flat on a dime. At the same time give the piglets four or five drops of highly concentrated cod liver oil on the tongue. Provide fresh beds as an extra precaution and keep the pigs warm. The temperature of the floor area should be 55 to 60°F.

DDT INCREASES PRODUCTION
Small rise like "sooty" cattle and cut deeply into milk and beef production can now be controlled. J. L. Eaglesham, Supervisor of Pest Control for the Alberta Department of Agriculture, says that the new insecticide DDT spells comfort for cattle and doom for flies.

Officials of the United States Bureau of Entomology and Plant Quarantine carried out field tests with water sprays of DDT, and their results show almost unbelievable gains of beef. On a Kansas ranch they sprayed 601 head of beef cattle with DDT and compared them with untreated cattle. The treated cattle (they received three treatments during a 60-day test period), showed extra gains of 1203 pounds of beef for each pound of DDT used. A second test produced 1285, and a third 2806 pounds of additional beef for each pound of DDT.

Every summer our Alberta cattle suffer severely from blood-sucking flies, and it is reasonable to assume that if they were sprayed there would be quicker beef gains and more milk. This is another case of greatly increased profits from small initial costs.

Just a word of warning—an ill solution of DDT will harm your cattle so be sure to use a water solution.

SULFA DRUGS AND THE BEETLE

Many requests have been received by the Bee Division, Central Experimental Farm Service, for instructions on how to feed sulfa drugs, as a prevention or cure for American foulbrood.

In the first place it should be remembered that the control of all bee diseases is under the jurisdiction of the various Provincial Departments of Agriculture, and that each province has developed its own method of control, under the administration of its own Provincial Apiarist. If any new method of control is developed or advocated, permission to use such method must be obtained from the Provincial Apiarist, otherwise the method as outlined in the provincial disease act will be applied.

The use of sulfa drugs for the control of American foulbrood is a new method of control, under development but not yet proven as a cure. The Bee Division at Ottawa is experimenting with these drugs and during the past summer obtained some highly promising results, which were recently published. No doubt the letters received are from beekeepers who have seen these articles but who did not read them any too carefully. In the majority of the colonies treated in the summer of 1946, the bees succeeded in freeing their brood-nest of all signs of the disease, this was no assurance, however, that spores of the disease did not lurk in some other part of the treated colonies; in fact, this very danger was emphasized. It was also pointed out that the results of this work cannot be fully assessed for at least one or two years. A clean brood-nest does not necessarily mean a clean colony, spores of the disease may be harboured in the honey and, therefore, constitute a possible source of recurrence of the disease for one or more years following treatment. All colonies treated last summer are being held for future observation. Because there is yet no assurance that the treated colonies are absolutely free of the disease the Bee Division is not yet prepared to recommend the use of sulfa drugs for the control of American foulbrood. Any beekeeper desiring to give this new method a trial must obtain permission to do so from his Provincial Apiarist. Furthermore, any such trials should be under the direct supervision of their Apiarists.

CARE OF ENAMEL

Enamel is tough but it will stain, crack and chip if used roughly. To preserve the gleaming beauty of the enamel in bathtubs and kitchen fixtures the Canadian Institute of Plumbing and Heating offers the housewife the following suggestions. Avoid use of harsh, abrasive cleaners, or steel wool. Once the enamel has been scratched, it becomes increasingly hard to keep clean.

The best way to preserve the enamel is to clean it with soap and hot water using a coarse cloth or brush. For stubborn stains use a non-gritty cleaner on a damp, coarse cloth. Cleaners prepared especially

for cleaning fixtures can be obtained from your plumber.

It is better to dispose of garbage than to use a siphon sink plunger that permits the action of acids from fruits, vegetables, tea leaves and coffee grounds to mar enamel.

Using the sink for chipping ice, chopping meat, slicing and shredding vegetables may chip the enamel. Avoid hard blows by heavy pots or pans or sliding them across the enameled surface.

If it is necessary to stand in the bath tub while cleaning or painting bathroom walls, heavy protective cover should be used in the bottom. Spilled medicines, cosmetics, hair rinses, drain pipe solvent and photographic solutions should always be wiped up immediately.

Have dripping faucets repaired promptly to avoid stains resulting from minerals in the water.

Consult the Wainwright Star for all your printing requirements.

NEWS & VIEWS OF TOWN AND DISTRICT

BORN—To Mr. and Mrs. H. Buckle of Wainwright at the Wainwright municipal hospital on May 28th, a boy.

BORN—To Mr. and Mrs. G. McBeth of Wainwright at the Wainwright municipal hospital on May 28th, a girl.

Mrs. Buhl and daughter Elsiebeth spent the week-end in Edmonton visiting with Mrs. K. A. Edgar.

Mr. J. A. MacKenzie was a business visitor to the city for a few days last week.

Mr. Romulus Chartier of Turner Valley is visiting in town with his daughter Marguerite.

Mrs. L. Bean entertained a few friends at her home last week in honor of her birthday.

Mr. and Mrs. Carl Stafford recently enjoyed a visit from Carl's brother and family who were here from Calgary over the week-end.

According to a report in the Edmonton Journal last week Rev. T. M. Dobson is the new minister scheduled for Wainwright to replace Rev. W. A. Whelan who will be retiring from the ministry.

Mr. and Mrs. W. Wilson and family motored from Cornaton at the week-end to visit with their daughter Miss Doris Wilson, who returned home with them having resigned her position with the local Treasury Branch prior to her forthcoming marriage.

Miss Elsie Horn attended the convention in Edmonton last week as the local A.Y.F.A. delegate.

Mrs. R. J. Armstrong visited last week with her sister at Mayerthorpe.

Dr. R. Wheeler and family of Edmonton spent the week-end with Mrs. Wheeler's parents, Mr. and Mrs. D. Pawley.

Miss N. Muzika, of Vegreville, was a guest at the Snyder home for a few days last week.

Ryan and Mitchell Hardware have made a marked improvement to the store by the addition of smart red and white awnings.

Last week's city papers carried the notice that two people well known by many citizens in the Wainwright district had passed away. One was Maxwell Cook, well known here in the early days, who died at the age of 56 years at High Prairie. The other was Newton Harvey, well remembered as prominent in oil circles here when the Wainwright oil field was booming.

School Holiday June 9th

Alberta school children and provincial and federal employees as well as bank employees will receive a holiday on June 9th next when the King's birthday will be observed.

W. H. Swift, deputy minister of education, has stated to the press that schools throughout the province will be closed for the day. Meanwhile government officials said observance of the King's birthday has been proclaimed a public holiday in line with the action of the secretary of state's department in Ottawa.

It is not definite whether the stores and other business places in Wainwright will observe this holiday, but it is not expected they will as this practice has not been general in past years. Should the town officials declare a holiday on this day it will be made known through the columns of the Star.

Mr. J. D. Wallace motored to Calgary at the week-end where he will join Mrs. Wallace and children who have been visiting in Lethbridge.

Mr. and Mrs. H. Ward, Sr. left at the week-end to spend the summer months at Lochdale, B.C. Mrs. Henry Ward accompanied them out and returned shortly.

Mr. Bob Mulvey went to Edmonton on Monday's train for a few days on business.

Miss Elsie Arkwright is visiting this week in the city with her sister Mrs. Jack DeLong.

Miss Isabelle MacKenzie, who is taking her nurse's training in the General hospital, Edmonton, is enjoying her annual vacation with her parents, Mr. and Mrs. J. A. MacKenzie in town.

Mr. J. O'Keefe who has been visiting with relatives in Winnipeg returned home this week.

Mrs. E. Padgett, President of the Rebekah Assembly of Alberta, of Bellevue will pay her official visit to Adeline Rebekah Lodge on Thursday evening of this week. All members should make an effort to attend.

Dr. Beatty Wallace is expected home this week from Montreal to spend a short holiday with his parents, Dr. and Mrs. H. C. Wallace.

At Armstrong's New Crop Pure Ontario Maple Syrup now in stock.

LOCAL RED CROSS PREPARE FOR BLOOD DONOR ENROLLMENT WEEK

The executive of the local branch of the Red Cross met in the Red Cross rooms in the post office building on Monday evening, June 2nd.

Plans were discussed and laid for the forthcoming voluntary blood donor registration campaign which is to be held June 15th to June 21st.

Mr. L. W. Smith will be in charge of the Publicity Committee for the drive and Mrs. G. Courtney is in charge of the Enrollment Committee.

Further details will appear in the near future.

Each parcel will be offered for sale, subject to the approval of the Minister of Municipal Affairs, and subject to a reserve bid and to the reservations contained in the existing certificates of title.

Terms, cash.
Redemption may be effected by payment of all arrears of taxes and costs, at any time prior to the sale.

Dated at Wainwright, Alberta, this 19th day of April, 1947.

CHARLES WILBRAHAM,
Secretary-Treasurer.

School Holiday June 9th

Alberta school children and provincial and federal employees as well as bank employees will receive a holiday on June 9th next when the King's birthday will be observed.

W. H. Swift, deputy minister of education, has stated to the press that schools throughout the province will be closed for the day. Meanwhile government officials said observance of the King's birthday has been proclaimed a public holiday in line with the action of the secretary of state's department in Ottawa.

It is not definite whether the stores and other business places in Wainwright will observe this holiday, but it is not expected they will as this practice has not been general in past years. Should the town officials declare a holiday on this day it will be made known through the columns of the Star.

Mr. J. D. Wallace motored to Calgary at the week-end where he will join Mrs. Wallace and children who have been visiting in Lethbridge.

Mr. and Mrs. H. Ward, Sr. left at the week-end to spend the summer months at Lochdale, B.C. Mrs. Henry Ward accompanied them out and returned shortly.

Mr. Bob Mulvey went to Edmonton on Monday's train for a few days on business.

Miss Elsie Arkwright is visiting this week in the city with her sister Mrs. Jack DeLong.

Miss Isabelle MacKenzie, who is taking her nurse's training in the General hospital, Edmonton, is enjoying her annual vacation with her parents, Mr. and Mrs. J. A. MacKenzie in town.

Mr. J. O'Keefe who has been visiting with relatives in Winnipeg returned home this week.

Mrs. E. Padgett, President of the Rebekah Assembly of Alberta, of Bellevue will pay her official visit to Adeline Rebekah Lodge on Thursday evening of this week. All members should make an effort to attend.

Dr. Beatty Wallace is expected home this week from Montreal to spend a short holiday with his parents, Dr. and Mrs. H. C. Wallace.

At Armstrong's New Crop Pure Ontario Maple Syrup now in stock.

LOCAL RED CROSS PREPARE FOR BLOOD DONOR ENROLLMENT WEEK

The executive of the local branch of the Red Cross met in the Red Cross rooms in the post office building on Monday evening, June 2nd.

Plans were discussed and laid for the forthcoming voluntary blood donor registration campaign which is to be held June 15th to June 21st.

Mr. L. W. Smith will be in charge of the Publicity Committee for the drive and Mrs. G. Courtney is in charge of the Enrollment Committee.

Further details will appear in the near future.

Dated at Wainwright, Alberta, this 19th day of April, 1947.

CHARLES WILBRAHAM,
Secretary-Treasurer.

Mr. and Mrs. Ivan Mitchell left on Friday for Vancouver to visit with their brother Fred and other relatives there.

This Space Reserved For EDDIES FOOD MARKET

—who are so busy selling customers what they ask for, filling shelves with new goods, brow beating salesmen into providing goods once said available, as well as being short staffed, that they didn't have time to prepare regular copy for this week's issue.

It doesn't matter much this week though, for the service and quality is always the highest at EDDIES.

CARD OF THANKS

We would like to express our deepest thanks to all those who helped in any way to combat the flames at our recent fire. It was through everybody's helpful efforts that the loss was not as great as it could have been. Our special thanks is extended to the Mayor and council of the Town of Wainwright for the use of their truck and to the crew who helped to contain the fire fighting equipment.
